Thank you

Dear Natalia,

On behalf of the EULAR Standing Committee of PARE, we would like to officially thank you for your warm welcome of our delegation during our stay in Moscow. It was a very important visit for us and has given us a great insight about the excellent work you are doing as the patient organisation.

We very were happy to see the very close collaboration between you and the Association of Rheumatologists. Please also give our thanks and warmest regards to Professor Nasanov and his team for all the support of the activities and for hosting the "Working Wonders Exhibition" in their institute. We were very impressed with all the arrangements and the broadcasting of the event into the other branches of your organisation.

We look very much forward to deepening our fruitful collaboration and we very much hope to seeing you and other members of the organisation at the EULAR congress in London.

In the meantime we would like to wish you and all our friends all the very best for a successful and healthy 2011.

With kind regards,

Marios Kouloumas, Chair EULAR Standing Committee of PARE
